ENJOY ALL PROVEN BENEFITS OF INSTAPAK QUICK® FOAM PACKAGING

- Provides custom-fit foam protection
- Easy-to-use with limited training needed
- 100% portable, takes up little travel space
- No machine maintenance or electrical requirements
- Variety of sizes and densities available
- Cost-effective and versatile

CREATE PROTECTIVE FOAM CUSHIONS IN THREE SIMPLE STEPS:

Press

Press firmly on the "A" symbol near the lower left corner of the bag to break the seal.

Pat

Mix the components by firmly patting back and forth 10 – 20 times on the "A" and "B" symbols.

Pack

Quickly place the expanding bag of foam into the box and nestle the product into the rising foam. Repeat the process as needed.
